

This document sets forth the **Triana Science & Technology** Privacy Policy for this Web site, www.trianatech.com . If you have objections to the Privacy Policy, you should not access or use this Site. This Privacy Policy does not govern privacy practices associated with offline activities or other Triana Science & Technology web sites.

Changes in Privacy Policy

All "personal information" that we collect and maintain will be subject to the version of the Privacy Policy in effect at the time of such collection. Triana Science & Technology reserves the right to change the Privacy Policy from time to time at its sole discretion, and will provide notice of material changes on the home page of the Site. If as the result of such changes, you want to alter the ways in which Triana Science & Technology is allowed to use your personal information, you can do so by following the procedure described below in the section titled "Updating your personal information and privacy preferences." You will be deemed to have been made aware of, and will be subject to, the changes to the Privacy Policy by your continued use of the Site after such notice has been posted for thirty (30) days with the following exception: If at the time you provide personal information to Triana Science & Technology you are given the opportunity to limit how such information will be used to communicate with you, either by Triana Science & Technology or by third parties, Triana Science & Technology will not change your preference in this regard without your express consent.

Entities collecting personal information

Personal information on this Site is collected by Triana Science & Technology. Triana Science & Technology address is:

Parque Tecnológico Campus de la Salud
Avenida de la Innovación, 1
Edificio BIC-Granada
Oficina 231
18100 Armilla (Granada)
Spain.

The Site contains links to other sites at which personal information is collected. In such instances, unless expressly provided to the contrary, the collection and use of your personal information will be governed by the privacy policy applicable to that site. That privacy policy should identify the entity that is collecting your personal information.

How your personal information is used

Triana Science & Technology may collect information about the use of the Site, such as the types of services used and how many users we receive daily. This information is collected in aggregate form, without identifying any user individually. Triana Science & Technology may use this aggregate, non-identifying statistical data for statistical analysis, marketing, or similar promotional purposes.

Your choices with respect to personal information

Triana Science & Technology recognizes and appreciates the importance of responsible use of information collected on this Site. Without your consent, Triana Science & Technology will not communicate any information to you, although we may find it necessary to communicate with you regarding your use of the services on this Site. Except in the particular circumstances described in this Privacy Policy, Triana Science & Technology will also not provide your name to other companies or organizations without your consent.

There are other instances in which Triana Science & Technology may divulge your personal information. Triana Science & Technology may provide your personal information if necessary, in Triana Science & Technology good faith judgment, to comply with laws or regulations of a governmental or regulatory body or in response to a valid subpoena, warrant, or order or to protect the rights of Triana Science & Technology or others.

Protection of your personal information

Personal information that you provide that does not constitute Registration Information resides on a secure server and is only accessible to selected Triana Science & Technology personnel

and contractors via password. Since this information is not accessible by you, you will not be asked to select a password in order to view or modify such information.

Use of cookies

When you visit this Site, you can browse the Site and access important information without revealing your identity. We use "cookies" to track your purchase. A cookie is a small amount of data that is transferred to your browser by a Web server and can only be read by the server that gave it to you, but once you have checkout we eliminate that cookie from your computer. It cannot be executed as code or deliver viruses.

Most browsers are initially set to accept cookies. You can set your browser to notify you when you receive a cookie, giving you the chance to decide whether to accept it. (For some Web pages that require an authorization, cookies are not optional. Users choosing not to accept cookies will probably not be able to access those pages.)

Personal information submitted through this Site that is not accessible online. To access and/or correct such information, you may write Triana Science & Technology at:

Triana Science & Technology
Parque Tecnológico Campus de la Salud
Avenida de la Innovación, 1
Edificio BIC-Granada
Oficina 231
18100 Armilla (Granada)
Spain.

In your correspondence, please indicate with as much detail as possible the location on this Site where you provided your personal information.

Privacy-related inquiries and complaints

Triana Science & Technology takes its users' privacy concerns seriously. If you believe that Triana Science & Technology has not complied with this Online Privacy Policy with respect to your personal information or you have other related inquiries or concerns, you may write to the Triana Science & Technology Privacy Officer at the address indicated above.

In your letter, please describe in as much detail as possible the nature of your inquiry or the ways in which you believe that the Triana Science & Technology Online Privacy Policy has not been complied with. We will investigate your inquiry or complaint promptly.

Please note that if you provide Triana Science & Technology with inconsistent privacy preferences (for example, by indicating on one occasion that third parties may contact you with marketing offers and indicating on another occasion that they may not), Triana Science & Technology cannot guarantee that your most recent privacy preference will be honored.

Also, please note that Triana Science & Technology is not responsible for the content or privacy practices of non- Triana Science & Technology Web sites to which this Site or any other Triana Science & Technology Web site may link. You should review the privacy policy of such sites before using the sites.
