

Terms and Conditions

Please, read and understand the Terms and Conditions prior to placing your order.

International Orders are ship via Chronoexpres International Service and typical delivery time is 2 to 4 working days. Freight charges will be collected at the time of delivery by Chronoexpres. Triana Science & Technology will not pay any duties, taxes or customs fees. International customers will receive an e-mail confirmation of the order with invoice and shipping waybill number. Customers may request and alternate freight carrier at the time of ordering but the customer must provide an account number for billing to the requested carrier. You will be notify of any backorders when you place an order. We do our best to maintain a complete inventory of all products.

Products and prices are correct at date of printing but are subject to change without notice. Current pricing will be confirmed at the time of your order. No minimum order required.

Payments

Please note Triana Science & Technology payment terms are net 30 days (from shipment date) in Euros €. A 1.5 % monthly late charge will be applied if payment is not received within 30 days of shipment. Please settle payment into our account number as indicated on the enclosed invoice. Payment must be made in Euros €. Any bank or service charges will be charged back to the customers.

Please send orders with the following form:
